

# NEUTRONLUB

THE BEST HI-TECH FLUID & COMPOUNDS - USA

## NEUTRON 922 FG FOOD GRADE COMPRESSOR OIL SYNTHETIC AIR SYSTEM OILS - USDA H1

**Neutron 922 FG** Synthetic Food Grade, Air Compressor Oils provide hours of trouble free operation in the vital area of plant compressor service.

**Neutron 922 FG** Food Grade Compressor Oil are formulated to minimize any oil carryover into plant air systems.

**Neutron 922 FG** oils do not form harmful deposits; i.e. varnish, shellac and carbon. Extended valve and air / oil of the separator.

- Extended drain intervals
- Lower volatility
- Excellent anti-wear protection
- No residues - continuous duty
- Reduce leakage
- Reduce power consumption
- Excellent compatibility

### TECHNICAL INFORMATION

ISO VG	ASTM TEST		R E S U L T			
			32	46	68	100
Viscosity	@ 40 °C	D-445	29.5	40	61.5	92.1
	@ 100 °C	D-445	5.7	7.22	9.9	13.5
Gravity, @ 15,4 °C		D-287	0.82	0.83	0.84	0.84
Flash Point, °C		D-92	257	265	265	268
Pour Point, °C		D-97	-57	-54	-54	-45
Viscosity Index		D-2270	135	145	147	142
Color	Clear Color / Non-Freezing
